Sir:

AMENDMENT

In response to the Office Action mailed November 27, 2001, kindly amend the above mentioned application as follows:

In the specification:

Kindly amend page 2, paragraph 7, line 26, as follows:

a' (d) at least one piston apparatus for compressing and drawing hydraulic fluid when the piston apparatus is contracted or extended, correspondingly, the piston apparatus being hinged at one end to a stationary support, and hinged at another end in association with the coupling apparatus, operative to move in response to movement of the buoyancy apparatus;
